The Elba Softball Classic is coming up next weekend and at least 4 local teams are in the chase for the big trophy. I've heard that Hardy's Construction, Cook Chevrolet, Wise's and Kleinerts are all entered, and between these four teams there's a good chance to keep some of the trophies in Elba.

The Girl's Softball League is scheduled to start on Friday night and the young girl's should be ready to play after several weeks of practice. If you don't have anything to do Friday night why not go out and watch the girls! I haven't had a chance to watch many Dixie Youth or Babe Ruth baseball games this year, but I guess everything is rolling along because if it wasn't there would be plenty
